

ABOUT THIS COFFEE

At Finca Buenos Aires, Martín Bedoya is part of a new generation of coffee producers committed to revealing the full potential of Colombian specialty coffee. Guided by a deep connection to the land and a passion for quality, Martín focuses on producing coffees that authentically express the unique identity of their terroir.

This Natural Pink Bourbon is a remarkable example of the extraordinary terroir of Quindío, a region highlighted by the Soil of Excellence program for its exceptional natural conditions dedicated to coffee production. Rich volcanic soils, diverse ecosystems, favorable rainfall, and ideal altitudes create an environment where coffees develop remarkable complexity, sweetness, and aromatic intensity.

Through meticulous cultivation and a rigorously controlled natural process, Martín enhances the distinctive qualities of the Pink Bourbon variety.
